

GEORGE LARSON, Antioch, Illinois Bell Co. workman, watches Mrs. Ruth Tidmarsh, retired operator, make the first call from Antioch on the new Touch-Tone phone. Larson had just completed installation of the new phone in the booth at the corner of Lake & Main Sts. in Antioch.

First Touch-Tone Call Made By Veteran Operator

Mrs. Ruth Tidmarsh of 633 Parkway Ave., Antioch, made the first call from a Touch-Tone telephone in Antioch, Monday, Dec. 28, and thought it was a far cry from the crank-type phones in use when she became chief operator of the Antioch telephone exchange in 1928. She retired as Illinois Bell chief operator in 1958.

Mrs. Tidmarsh called Mrs. Lena Messing of 428 Fillmore Court, Antioch, and they talked of the new Life-Member Club they're organizing on behalf of the Lakeland Council of the Telephone Pioneers of America. The Pioneer group, made up of active and retired telephone employees, is dedicated to civic work and takes up most of Mrs. Tidmarsh's spare time.

The call was made from a coin telephone newly installed in a booth at the corner of Lake and Main streets.

The distinctive new service, which utilizes ten buttons instead of a dial, will be available to residence and business customers in Antioch beginning January 18. The first step in providing Touch-Tone service was to

More Loot To Public Aid In Oct.

Springfield, Ill., Dec. 24—The public aid rolls declined in October by a total of 3,528 persons from the previous month, according to a report released by Harold O. Swank, director of the Illinois Department of Public Aid.

Substantial reductions were registered in the Aid to Dependent Children and General Assistance programs. The overall decrease in the public aid rolls brought the total down to 412,703 recipients, compared to 416,228 in September. The caseload in October 1963 was 415,458.

Public aid expenditures in October totaled \$24,313,339; the September expenditures amounted to \$23,954,282; and in October 1963, \$22,731,368. These total expenditures include payment for burials, foster care for ADC children removed from unsuitable homes, and aid to the medically indigent in Cook County.

The increase in the cost of public aid programs in October over September, despite a reduction in the number of persons receiving assistance, is attributed to a change in the method of budgeting the heating fuel allowances, and the increase in payments made in behalf of recipients of Assistance to the Medically Indigent, Aged and Assistance to the Medically Indigent.

Prior to October 1964 one-twelfth of the yearly cost of heating fuel was allowed each month in the payment to recipients. Beginning in October, the allowance is one-eighth of the yearly cost of heating fuel in order to make more money available to recipients during the heating season, October through May. The allowance for heating fuel will be deleted from the payments to recipients during the months of June, July, August and September.

Lake County disbursed \$127,709.00 in this period to 2,413 persons. Of this amount \$35,245 was paid out in Old Age Assistance to 419 persons; \$52,837.00 in Aid to Dependent Children to 1,212 children; \$1,649.00 to 23 persons in Blind Assistance; \$6,086.00 to 75 persons in Disability Allowance, and \$32,092.00 to 684 persons in General Assistance.

Xmas Day Collision Injures 4 In Family

A happy Christmas Day had an unpleasant ending for the six members of the Mount family of Lake Villa. Four members of the family were injured in an automobile accident about one-half mile from their home Christmas evening as they drove to visit friends.

Most seriously injured was the Mounts' daughter, Donna, 7. She is in Condell Memorial Hospital with head lacerations, a fracture skull and a broken left thigh bone. Mrs. Helen Mount said her daughter is expected to be hospitalized for four to six months. Plastic surgery has been performed for a cut forehead.

Emmett Mount, 43, the driver, had multiple bruises and lacerations of the head. His wife, Helen, suffered bruises and a gashed knee. Pamela, 15, received bruises and a punctured lip which required stitches. The two youngest daughters, Margaret, 4, and Jennifer, 3, were apparently uninjured.

Mrs. Mount and her two daughters were treated by their family doctor. The other three members of the family were taken to Condell Memorial Hospital in Libertyville.

The accident happened on Route 83 near Rollins Rd. A car driven by Donald McElroy, 20, Antioch, going north, reportedly swung into the opposite lane and collided with the Mount auto. McElroy and his passenger, Miss Betty Hoffman of Trevor, Wis., were treated for minor injuries.

The Antioch News

ACHS Board Asks For 15¢ Hike In Educational Tax

The Board of Education of Antioch Community High School, District 117, has announced a referendum asking for a 15-cent increase in the educational tax. The tax rate is at present 75¢ per \$100 of assessed valuation.

The increase is needed, according to the Board, to

meet the increased cost of instructors, materials, supplies and equipment. The 15-cent increase is considered the minimum needed to meet the need and avoid costly deficit financing.

The problem is not just one of enrollment but rather the way enrollment is outstrip-

ping the district's growth of taxable wealth. The significance of this is that the lower the assessable value behind each pupil, the higher the property tax rate needed to produce adequate revenue.

The last referendum authorizing the present maximum educational tax rate was

passed in August, 1958. The board has levied the maximum 75 cent tax rate each year since 1959. Enrollment has increased from 658 to 987 in that time. There are 54 teachers, as compared to 35 in 1958, and there has been a proportionate increase in non-teaching personnel.

If the referendum is approved the new tax monies will not be available to support the budget until 1960-67.

According to the Board, a good educational program has been maintained through the years, while practicing economy and efficiency. If the board is to continue a comprehensive high school, they say, one that encompasses practical arts, general education and college preparatory programs, more revenue is needed. The board is also concerned about being able to adopt and upgrade the curriculum to keep up with rapid and constant technological, scientific and social changes.

The referendum will be voted on January 23, 1965.

To be eligible to vote on the referendum, a person must have been registered in the last general election, be a U. S. citizen, a resident of the State for one year, the County for 90 days and in the high school district for 30 days.

Polls will be open from noon to 7 p.m. Polling places will be the Antioch Community High School, Lake Villa Grade School and B. J. Hooper Grade School in Lindenhurst.

Hold-Up Men Rob Station

Some thieves who like to travel first-class robbed the J & L Service Station, on Route 173 about two miles west of Antioch, of \$557.88 last Tuesday morning (Dec. 22).

The men drove a new, almost-black Cadillac, according to Vester Hargett, manager of the station.

Two men entered the station shortly after Hargett opened the place at 6 a.m., he said. When he tried to dial the operator to call police, one threatened him with a switch knife and ripped the phone out.

The men carried a gun, he said, and seemed familiar with the place, though he couldn't remember having seen them before. They were familiar with the safe, and ordered him to open it. They took all the cash, and rejected a check.

The men were not young, he said, perhaps in their thirties, and were dark. Two men entered the station, and at least one more was in the car, Hargett said. The car had a dented right front fender.

"I could identify the one man, I'm sure," Hargett said. "The one that did all the talking. I was so scared, I hardly noticed the other one."

The J & L station, which has been in business about six months, was broken into about a month ago, and \$87 worth of merchandise stolen. "Once more, and I think I'll get out of this business," Hargett said.

He has received no word, he said, from the police on any progress in apprehending the hold-up men.

Governor Announces Road-Building Program

Springfield, Ill., Dec. 30—Gov. Otto Kerner today announced that the proposed 1965 Illinois Primary Highway Improvement Program will provide for right of way acquisition and construction projects costing an estimated \$253,443,000.

Of this amount, Gov. Kerner said, \$163,000,000 is earmarked for work on interstate highways and \$90,443,000 for non-interstate roads. Right of way costs are expected to total about \$36,000,000 or one-seventh of the over-all program.

The governor said that of the \$253,443,000 available for the 1965 program, state and local sources will provide \$72,232,000, federal funds

will provide \$181,211,000, of which \$147,500,000 must be used on interstate highways and \$33,711,000 on non-interstate routes.

Gov. Kerner pointed out that the 1965 program provides for the continued construction of interstate highways as rapidly as federal funds permit. Eight lettings are scheduled for 1965, the first one to be held in Springfield on January 29.

Major projects in Lake County scheduled for 1965 are reconstruction of U. S. 12 from north of Saton Road in Fox Lake to north of Illinois 134 south of Fox Lake and additional lanes on Illinois 21 from Libertyville to Illinois 22 at Half Day.

Teen-Agers Share Xmas Happiness

Antioch teen-agers shared with the less fortunate at Christmas. Members of the ACHS Student Council collected \$115.33 in donations from the student body. The money was used to buy food baskets for the poor.

Girl Scouts in the area donated five cartons of food to the Council's drive. Council President Bruce Dalgaard announced that because of the generosity of the student body some of the money will be saved to purchase food baskets at Easter time, too. Council members shopped and delivered the baskets on Wednesday, Dec. 23. Jim Edwards was the chairman of this year's collection and council members Janet Sheehan and Lois Herman served on his committee.

Channel Lake Man Killed In Texas

A 27-year-old Brian A. Palenske of Channel Lake was killed Tuesday, December 20, in an automobile accident on Highway 79, 10 miles south of Palestine, Texas.

Brian was the son of Mr. and Mrs. Arthur (Edith Mae Hess) Palenske of Channel Lake. He was stationed at James Connally Air Force Base in Texas.

Brian Palenske was born in Forest Park, Ill., and moved to Channel Lake with his parents in 1946. He is survived by his parents; one brother, Norman, at home; his maternal grandparents, Herman and Grace Hess of Montello, Wis., and his paternal grandmother, Mrs. Palenske of Michigan.

Funeral arrangements are pending at the Strang Funeral Home in Antioch.

Abbott Stockholders Get Dividend Raise

Directors of Abbott Laboratories Tuesday increased the regular quarterly dividend from 20 cents to 22½ cents a share.

The dividend will be paid Feb. 15, 1965, to shareholders of record Jan. 20.

This will be the third increase in the quarterly dividend since late 1962. Board Chairman and President George R. Cain said the increase reflects improved operating results.

Early Morning Fire Routs Family of 5

A passing motorist who roused the sleeping family of Robert E. Lee, Channel Lake, Monday morning when he saw smoke pouring from the entranceway of the home may have saved the lives of the family, according to Fire Chief Elgar Simonsen.

With the front entrance on fire, the family escaped from the house through a rear window. Had they not been awakened, Simonsen said, they might have been overcome by smoke inhalation. Firemen quickly extinguished the blaze, believed caused by defective wiring. About \$700 damage was done to the building, according to the Fire Chief, plus smoke damage to furniture and the interior.

The small home, owned by Dick Gregg, is on Lake Avenue. Mr. and Mrs. Lee and their three children were sleeping when the fire was discovered about 7 a.m. The Lees have since moved into another home.

Identity of the passing motorist who roused them is not known. Mr. Lee said he would like to know the identity of the man so that he could thank him.

Retired Army Men May Ask For Recall

It was announced today by SFC Arthur R. Nelson, the local U. S. Army Recruiter that Retired Army Enlisted personnel who are not disabled may now apply for recall to active duty under a new program announced by the Department of the Army. Known as the Application for Recall Program, the plan will permit the merging of individual desires to return to active duty with Army requirements for trained personnel in specific Military Occupational Specialties. Retired Enlisted Personnel, Grade E-5 or above, may apply for recall providing they are under 50 years of age, have less than 27 years of active Federal Service, and can meet retention physical standards. A report of current physical examination

Dimes March Starts Appeal

The largest mailing ever made by the Metropolitan Chicago Chapter of the March of Dimes went to the Post Office Monday, Dec. 28.

More than 1,200,000 families in Cook, DuPage and Lake counties will receive their annual mail appeal for the March of Dimes campaign shortly after the first of the year.

The mailing kicks off the month-long 1965 March of Dimes campaign in the Metropolitan Chicago area, which aims to raise \$750,000 for its programs in research and patient aid for birth defects victims and pre-vaccine polio patients.

In speaking of the progress made by the March of Dimes in the field of birth defects, as well as its conquest of polio, campaign chairman Edward P. Kelly promised even greater help for local victims of the more than 600 significant types of birth defects.

"Our March of Dimes birth defects special treatment center at Presbyterian-St. Luke's Hospital," said Kelly, "is only one of more than 50 such centers around the country."

The support and generosity of Chicago-area residents, who I hope will send a contribution in the return envelope as soon as possible, will assure every future child of his right to be well born, and every afflicted child his right to a healthy and happy maturity."

must accompany the application.

Selections will be based upon the needs of the Army for the Applicant's Military Occupational Specialties. Those selected will be recalled for a minimum of three years.

Detailed information pertaining to the program is available at your U. S. Army Recruiting Office, 620½ Washington Street, Waukegan, or by calling Ontario 2-5260.

You've heard about the new reducing drug. It's called sulindal.

Ill. Gen. Assembly Faces Multitude Of Problems

The Illinois General Assembly will convene on Wednesday, January 6, with a multitude of problems facing the legislators.

Republicans control the 1965 Senate (33 to 25) and Democrats control the House (118 to 59). After the recent at-large election, there are about 75 new members in the House without previous legislative experience.

Left over from the last session will be the knotty problem of reapportionment. A long-drawn-out wrangle on this issue could hold up action on other problems in need of solution. In the meantime, the legislature must appropriate money to pay the unpaid balance for the at-large election. Although money had been appropriated to cover the election, it was not sufficient to cover the expenses.

A new revenue article is already being discussed for passage in this General Assembly. Raising the sales tax versus the imposition of an income tax is certain to be the subject of another battle. Sales tax increase opponents say the sales tax puts a burden on those least able to pay; income tax opponents decry the trend to take from

the "haves" to help the "have-nots."

High on the list for attention of the Assembly is school legislation, and, again, the need for more money. Educators have been promised action on the school bus law which has prevented many schools from using buses to transport student spectators to athletic events. Schools are making a determined push for more State aid.

Labor legislation, public assistance, steps to stimulate the economic and industrial growth of Illinois are all on the agenda for the 1965 Assembly.

Lake County has six representatives in the Legislature as a result of the at-large election.

Rescue Squad Busy During Yule Season

The Antioch Rescue Squad took Peter J. Schaeffer, Rt. 3, Box 165, Antioch, to Victory Memorial Hospital on Christmas Day after he suffered a probable heart attack.

Farrin Bingham, 33, was taken to St. Therese Hospital on Dec. 26 at 6 p.m. with head lacerations.

Karen Shepard, 3, Oakwood Knolls, was taken to Victory Memorial Hospital on Dec. 26 when she had difficulty in breathing.

Karl Ross, 20, of 4817 Sheridan Road, Kenosha, was taken to Victory Memorial Hospital on Dec. 28 after he suffered a broken leg.

Curtis Morin, 19, North Ave., was taken to Victory Memorial Hospital on Dec. 28 by the squad. He had suffered a head injury previously in a traffic accident.

Mrs. Anne Davis, 71, Channel Lake Shores, was taken to Victory Memorial Hospital on Dec. 28 after she suffered a probable stroke.

Purse Lost, Offers Reward for Papers

Mrs. Louise Gutowski, Channel Lake correspondent for the Antioch News, reports that she lost her black purse at the Antioch Bowl Monday night, Dec. 28. There was no money in the purse, she says, but pictures and personal papers which she would very much like returned.

Mrs. Gutowski offers a reward for the return of the papers. They may be returned to the News office or call Mrs. Gutowski at 395-1317.

STUDENT COUNCIL MEMBERS distributed Christmas food baskets to the needy last week. Ready to start on their mission of cheer are Harrison Brown, faculty adviser; Tom Morgan, Kathy Albrecht, Bruce Dalgaard, Rosemary Frank and Jim Effinger.

EDITORIAL

Ring In The New

HAPPY NEW YEAR!

Thursday at midnight, 1964 will slip into the past. A new year, a new deal, a new chance to achieve the aims we didn't attain last year.

New Year's Day will see dozens of good resolutions made. Some will be kept; more will be broken before the year's a week old.

Whether or not the resolution is firmly kept is not the most important thing about New Year's resolutions—or resolutions made at any time, for that matter. The most important thing is that we continue to want to try to be a little bit better—to improve our health, our morals, to help others, to be a desirable addition to the world we live in.

Despite all the outcry about the decay of morals, the prevalence of greed and corruption, the increase in crime, the world continually gets to be a better place to live in. Dedicated scientists keep on working to alleviate suffering and prevent death; civic groups work hard and earnestly to improve conditions in their own communities; church and educational leaders, politicians, civic leaders, dedicated individuals, work to improve the lot of the poor, the uneducated, the handicapped, the mentally and emotionally disturbed. Never in history has there been such a concerted effort to make it possible for each person to enjoy life to its fullest.

Wars? There have always been wars. If we have found more efficient ways to kill more people, certainly their individual suffering is no greater than those who died in former wars.

Every advance that has been made—socially, scientifically, medically—has come about because of the resolution of people. A resolution to solve a problem, to right a wrong, to improve something.

So let's keep on making resolutions. The joy of life is in striving, and if, this year, we fall short of our goal, we can try again next year. The effort itself is bound to do some good.

And while you're making resolutions, resolve to try something totally new this year—anything, so long as it's something you've never done before. Not a halfhearted, "I know I won't like it" effort, but an all-out, honest experiment. A multitude of fascinating things to do are out there waiting for you in 1965. Don't let them all slip away.

Courthouse Notebook

BY LOU DURKIN

Some calendar of the future may produce a political year to match 1964 in Illinois and Lake County, but if it does the shock waves will set off seismographs like a California tremor.

Political events of the past year are like a senseless montage of poorly developed pictures or the fingerpaintings of a tipsy child. There was the weird in and out performance of State Treasurer William Scott when for a few hours after the death of Charles F. Carpenter nobody knew if the fuzzy-cheeked politico was a candidate for Governor or not.

There was the rather strange spectacle of Hayes Robertson insisting that support of Barry Goldwater was the most important qualification for Governor of Illinois, and the demand during the primary election by Scott and Cook County Sheriff Richard Ogilvie that Charles Percy must promise to handicap himself by pledging a purge of elected Republican officials.

There was the unusual performance of Percy and other GOP leaders at the legislative convention in overruling the expressed wishes of a substantial number of Republican voters by eliminating a group of men who were the choices of their constituents.

This is the same Charles Percy who a few weeks later in San Francisco rejected, or more correctly was deprived, of a position of leadership

among Illinois delegates.

The convention in San Francisco indicated a surprising lack of organization by moderate Republicans who apparently were unaware that delegates who were elected as Goldwater supporters would vote for the Arizona Senator's nomination.

County level politics presented some surprises with the upset of Coroner Robert H. Babcox in the primary setting the stage, for other changes.

Implementation of the judicial amendment created some confusion among lawyers, judges, and magistrates and this confusion carried over to the general election which saw Judge Philip Yager, a Democrat, emerge a winner over Republican Mortimer Singer.

There were other judicial surprises, of course, such as Judge William M. Carroll totting a Democratic banner in the Appellate Court race, but being retained as a Circuit Judge on the basis of his long Republican record.

The Democrats came within a couple of precincts of defeating incumbent State's Attorney Bruno W. Stanczak with Ezra D'Isa garnering considerable support from Republican regulars because of purely local squabbles.

The year was highlighted by extensive litigation concerning the much talked about new court house and apparently even a court in-

By Pearl Kapell

It's really amazing what you can learn from books if you just take the trouble to read them.

I have a fascinating little booklet on my desk at the present time called Chase's Calendar of Annual Events. It's a day-by-day compilation of events for the coming year.

January 1, of course, is New Year's Day. It is also the day of the Rose, Orange, Sugar, Cotton and Tangerine Bowl football games. These are facts known to practically everyone.

But did you know it is also International Take-a-Deep-Breath Day? International, mind you. So don't forget to breathe today, even if it does jar that aching head. We wouldn't want to disappoint Lew Arthur, who is the sponsor of the day.

The purpose of Take-a-Deep-Breath Day is "to take a breath of nature's own pure air— if you can still find some around."

Jan. 1 is also New Year's Day Swim Day. If you must observe this, we recommend a heated pool. The sponsors, the Chamber of Commerce of Corpus Christi, recommend that you travel to Corpus Christi, in observance of the occasion. That's a long way to go for a bath, though it may seem like a good idea to someone about 4 a.m. Jan. 1.

And did you know Jan. 1 is the beginning of Silent Record Week? How's that for timing? All mothers and fathers who imbibed too freely on New Year's Eve will bless this one—if they can get their offspring to observe it. What lover thought than a period of complete silence? Sponsored, of course by Hush Records.

Room month begins on this day, too. No, no, don't go flying off to try to cheat someone. That's not the way to start the New Year, unless you want to get rich. This is to promote the popularity of the game of Rook. And guess who sponsors it. You're right. This is also Break-a-Cold

junction against more litigation isn't going to stop the opponents of the new building.

The Public Works Department came into being as a reality by purchasing a utilities company and prompted a fight with the Lake County Water District, an almost forgotten entity.

What will the New Year bring? Well there are some interesting fights developing for county board membership and the votes of the incumbents seeking re-election on the Public Works Department, the new courthouse, and the mid-county annex will be key issues.

There will be growing tensions between elected county officials and the county board despite County Board Chairman Kenneth Henke's efforts to bring them together and County Finance Officer Robert Morrison will be a major bone of contention.

Morrison will try to extend his influence by creation of a county personnel department and by ever increasing recommendations concerning county finances.

Despite the recent policy to give the county board chairman an almost automatic second term Henke will face a real donnybrook in his try for re-election and newcomers to the board will find themselves flattered and cajoled along about board election time.

Construction will start on the new courthouse, the mid-county annex will be forgotten, and there will be a strong move to dissolve the Lake County Water District.

In Springfield the big battle will center on re-apportionment and Lake County will emerge with two districts which quite by accident will give the Democrats one district and the GOP the second.

The state senate will try to produce a new alignment that will meet Supreme Court specifications with the result that the GOP will retain control in name only.

The New Year may not be as confused as 1964, but it certainly won't be dull.

ALONG THE WAY with Annie Mae

The Christmas Holidays are over. Now the year is at its end. Only the Good Lord above knows which way our paths will wind.

Something I would like to wish for you all.

In the days of this forthcoming year.

Month. "To promote soda bicarbonate (baking soda) as a relief for the discomfort of a common cold." If the thought doesn't set too well on New Year's Day, you have a whole month to try it out.

Post Control Month begins—to call attention to pest problems and methods of extermination. I wasn't aware that a special day was needed to make one aware of pests. The extermination of them—that's something else again.

And Kid Pleasin' Meals time begins. Runs all the way through Feb. 28th. The sponsor is the American Dairy Assoc. though I can't imagine why. Obviously, the kid-pleasest meal would include French fries, catsup, hamburgers, pop, candy, and perhaps popcorn and bubble gum. Two months of this diet, and there would be no need for a see-your-dentist week. The kids won't have any teeth left to worry about.

I'll bet you didn't realize this was such a big month. Enjoy it. Take a deep breath, go for a swim, play Rook, take a bit of soda bicarbonate, and be aware of pests. Life can be beautiful, if you are only aware of all the happy activity going on around you.

Your Congressman Reports....

The 89th Congress convenes at noon Monday in the Capitol at Washington. At 8:00 in the evening, the U.S. House and Senate will hold a joint session in the House Chamber to receive the President's State of the Union message.

But even before the noon session, the Democratic and Republican Members will meet separately to select their respective leaders. It seems a foregone conclusion that Congressman John McCormack of Massachusetts will be re-elected as Speaker of the House and that Representative Carl Albert of Oklahoma will continue as the Majority (Democratic) Floor leader. However, it is quite uncertain whom the Republicans will select as Minority Floor Leader.

There has been active skirmishing in Washington for this position in the past two weeks. This post has been held since 1959 by Congressman Charles Halleck of Indiana. Now, Congressman Gerald Ford of Michigan wants to lead the House Republicans.

Congressman Halleck has an individual record as a Congressional leader upon which he is basing his campaign. His challenger, Congressman Ford, is pointing to his comparative youth (51) and the popular demand for a new Republican "image."

This keen interest in directing the destinies of the smallest Republican contingent in the House of Representatives in almost 30 years indicates great confidence in the future of the Republican Party. Certainly, those who seek to lead the Republican minority of 140 members in 1964 are hoping to direct the affairs of at least 218 Republicans (a majority of the 435 House Members) in 1966.

Immediately before the swearing in ceremonies on Monday, January 4, 1965, my Republican colleagues and I will decide the issue by secret ballot. The Republican selected will be the principal legislative spokesman of the 140 Republicans in the U.S. House as well as millions of Americans who espouse the Republican point of view.

Of particular interest to 12th District citizens is the retention of Representative Leslie Arends of Illinois as the Republican Whip. The office of Whip ranks second

ing year. Is a home filled to the very brim With love, laughter and good cheer!

Resolutions are made usually to be broken. But we've made some that are strictly for jokin'!

Ralph Greens resolves to take up bird-watching this year.

The ones with long necks have him confused we hear.

Marge Gae and Marilyn Stern resolve evermore, To hire a butler to answer their door!

Don Mollder with face so straight, Resolves never to get behind the ball numbered eight.

George Mazzeus resolves, we understand, To build something, someday upon that land!

Jerry Rockow resolves, with reason, To "plaster" some of you this coming season!

A resolution to retract his "No."

Might be forthcoming from "Mighty Mo."

And finally my friends I resolve today, To keep you informed "Along the Way."

THE LATEST REPORT:

What with the announcement of a needed 15-cent increase in the Education Fund at the High School, and the annexation of the Channel Lake Dist., and the Emmons School Dist. suffering growing pains, it looks like school problems will be the first on the agenda this New Year. We thought that Don Poulter had a spectacular lighting display, until we caught a glimpse of the Ed and Georgia Adams home in Oakwood Knolls. Also, be sure to take the kiddies to see the beautiful six foot golden Santa at the Charles Hamlin home in Rosing's Subd. Dolores Abderholden sports a lovely mink capeau, compliments of Santa.

... somehow I have the feeling Santa didn't exactly get my message. My note read: First—something-to-do—the dishes, and Second a colored set. He left me a bottle of Joy and a box of crayons!

Happy New Year!

Annie Mae

NI-Gas Employees Give To United Fund

Northern Illinois Gas Company and its employees contributed over \$59,000 to the United Fund Crusade during the recent company-wide effort, according to Clyde Schroeder, NI-Gas fund chairman.

Over \$36,000 of this amount was contributed by NI-Gas employees and averaged \$14.25 per donation. This is 12 percent above the 1963 total.

Although the crusade was held throughout the company territory, an employee's contribution will be used by a local agency. The company's \$23,000 gift will be distributed among the communities of the six NI-Gas divisions.

More than ever before in the history of the world, men of freedom and good will must adhere to the comforting precepts of faith in God. National Commander Donald E. Johnson of the American Legion has stated in a Christmas message to the patients, members and personnel in Veterans Administration hospitals and domiciliaries.

In importance to that of leader. At the last session, Congressman Arends came in for special praise for his success in bringing unity to the Republicans ranks. However, Mr. Arends' distinguished record of service and his popularity may not be the criteria upon which the Republican Whip for the 89th Congress is selected.

On the other hand, it is to be hoped that the relative leadership qualities of Representatives Gerald Ford and Charles Halleck will be fairly considered in the selection of the House Minority Leader in the 89th Congress.

Insofar as Capitol Hill is concerned, the House leadership fight is separate and apart from the struggle for Chairman of the Republican National Committee. Dean Burch will have to earn his own support.

Navy Launches Truxton, Nuclear-Powered Frigate

The Navy will launch its second nuclear-powered guided missile frigate, Truxton (DLGN-38), at the New York Shipbuilding Corporation, Camden, N. J., on Dec. 19. Truxton, which is the fourth U. S. Navy surface

nuclear powered ship, will be powered by two reactors similar to those in operation aboard USS Bainbridge (DLGN-35).

When Truxton joins the fleet in early 1966 she will be armed with one twin Terrier missile medium range surface-to-air battery, with a combined anti-submarine rocket capability. She will have one 5" 54 caliber and two 3" 50 caliber rapid fire guns, anti-submarine rockets, four rocket launchers and the Drone Anti-Submarine Helicopter (DASH). Truxton will also be equipped with a bow mounted long range sonar and the Naval Tactical Data System (NTDS).

Truxton will be commanded by Cdr. David D. Works of Blackpipe, S. D. She will have a crew of 27 officers and 452 enlisted men.

Truxton's keel was laid on June 17, 1963. She has an overall length of 564 feet, a maximum beam of 58 feet, and a full load displacement of approximately 9,000 tons. This is the fifth Navy ship to be named Truxton.

With practically every department showing a membership gain over last year at the close of the Veterans Day turn-in, the Wisconsin American Legion showed into first place as the winner of the Alvin M. Owsley award for 1965.

Law officers are eligible to serve in any of the 50 states or in more than 30 foreign countries. Benefits available to the Air Force lawyers include 30 days annual paid vacation, free medical and dental care, world wide travel, and a 20 year retirement program.

Further details are available at the US Air Force Recruiting Office in Waukegan, located at 325 Washington Street.

THE ANTIOCH NEWS / 2 THURSDAY, DECEMBER 31, 1964

White Collar Jobs Added To NDTA Program In Chicago

Four white-collar jobs are the latest occupations slated for federally financed training programs in the Chicago area in an effort by the government to help both the unemployed and private industry.

The programs, provided for in the Manpower Development and Training Act of 1962, have already brought new skills to thousands of unemployed and underemployed workers and provided trained employees for hundreds of local businesses. Many public aid recipients have particularly benefited from the formal training programs.

The four training courses now offered to Chicago and suburban residents include Cashier, Currency Exchange, Salesperson, General, Typist, and Stenographer. Unemployed or underemployed men and women, interested in learning one of these skills, are invited to register at the Illinois State Employment Service, 40 West Adams Street.

Besides the schooling, applicants may be eligible for an allowance while in training. Some applicants may also qualify for part-time jobs to augment their finances while attending school.

"Serving the Lakes Region Since 1894"

Sales Tax Table For Income Tax

The Availability of a printed table, Internal Revenue Service Document 5316, reflecting the average state general sales tax payments by Illinois residents, was announced by E. C. Coyle, Jr., District Director of Internal Revenue Service in Chicago.

The table is based on the Illinois general sales tax of 3 1/2% plus the city and county sales tax of 1/2%. Taxpayers not paying any city or county sales tax should reduce the figure in the table by 1/2%.

This table may be used when deducting sales tax on Form 1040. If it is not used, sales tax deductions must be itemized and substantiated.

Deductible sales tax on the purchase of automobile and gasoline tax of 5 cents per gallon are not included in the table and must be itemized separately.

Copies of the table, printed in wallet size, may be obtained from any Internal Revenue office. In Chicago they are available for distribution at the District Office, Room 1305, 17 N. Dearborn Street.

Mr. and Mrs. George L. Pullin III

December Wedding Unites Jane Strang, George Pullin

An afternoon ceremony at the Antioch Methodist Church on December 19 united Jane Evelyn Strang and George L. Pullin III in marriage.

The bride is the daughter of Mr. and Mrs. Ed Strang, Antioch, and the bridegroom is the son of Mr. and Mrs. George L. Pullin, Jr., of Schenectady, New York.

The Rev. Donald Cobb officiated at the double ring ceremony. The bride, given in marriage by her father, chose for her wedding a floor-length gown of white velvet. The bodice was fashioned with an oval neckline and long tapered sleeves, and was highlighted with seed pearls. The skirt had a detachable train. A crown of pearls held her imported illusion veil. She carried a bridal bouquet of white roses and ivy.

Miss Sue Strang, sister of the bride, was maid of honor. Bridesmaids were Miss Terry Manzardo, Antioch, and Miss Jennifer Snelton, Arlington Heights, a sorority sister. Diane West, Kansas City, Kansas, a cousin of the bride, was flower girl.

All the bride's attendants wore velvet gowns with two-toned candy pink bodices and bluish pink satin skirts with a satin ribbon at the waist. They wore matching veils. The flower girl carried a basket of pink roses and white candy-stuff.

Mr. Jerry Mason, Chicago, was best man; James Burish, Brookfield, Ill., and John W. Swisher, Jr., Winnetka, were groomsmen.

Musical Next For PM&L

A fast-moving musical comedy, "Thurber's Carnival," will be next on the stage of the PM&L Theatre on Main St. in Antioch.

The show will be presented Jan. 15 and 16, and Jan. 22 and 23. Curtain time is at 8:30 p.m.

Cast of the fun-filled comedy includes Dr. Al Bucar, Don Cardiff, Wes Camp, Larry Landist, Don Boveroth, Josef Huntley, Arnold Schulmeister, Gloria Davis, Betty Smouse, Nancy Seyfarth, Marie Jasien, Louise Camp, Gerri Duncan and Valerie McElroy.

Music for the play will be provided by Dr. James Kopriva, William Brook and Joe Kanka.

Ken Smouse will direct the play. Reservations for tickets may be made by calling 895-3011.

Ushers were Frank Caughron, Danville, and David Mau, Antioch.

A reception for 200 guests was held at Wesley hall, Methodist Church. The young couple will be at home after Dec. 28 at 1510 S. Albion, Denver, Colorado.

Both the bride and groom attended the University of Denver. The bride was a member of Kappa Delta sorority, the groom a member of Phi Kappa Sigma.

Money, Food Help Needy At Christmas

The Knights of Columbus, St. Peter of Antioch Council, distributed about 30 baskets of food to needy families during the Christmas season. In addition, for the first time, they were able to give a donation of cash to the Allendale School for Boys.

Albert Smith, Lake Villa, Deputy Grand Knight of the St. Peter of Antioch Council, said: "The KC's are very much interested and impressed with the fine work that Allendale does. We are happy to be in a position to give this small gift which we hope will bring a little joy to the boys."

Sixteen churches in the Lake Villa-Antioch area were invited to participate in the basket give-away, Smith reported.

Other organizations which remembered Allendale boys at Christmas were: The American Legion Auxiliary; Wilmette Optimist Club; Chicago Tribune Goodwill Fund; Lake Region Men's Club; Sears Roebuck, Waukegan, and an anonymous group from the Zion area.

ALBERT SMITH (right) Deputy Grand Knight of the St. Peter of Antioch Council presents a check to Richard Leavell, director of the Allendale School for Boys, Lake Villa.

MOOSE TOPICS

OPERATION SANTA CLAUS
Many of the children and parents of less fortunate homes in Antioch were made happy by the distribution of toys on Christmas day and the efforts of the Antioch Moose Lodge No. 925 for the success of their project, "Operation Santa Claus."

The toys that were left over were given to the Baptist Children's Home in Lake Villa.

BOWLERS

The Antioch Moose League played at Harvard Sunday, Dec. 20th, against the Waukegan Moose team and won 2 out of the 3 games. Mickey Osborn was a replacement for Jack Smith who was ill at home. Ed Lindstrom had high series of 550 followed by Jack Christiansen with 520.

A Swiss steak dinner was served the bowlers at the Harvard Moose Lodge after the game. The next bowling match is scheduled to be played at Crystal Lake.

NEW YEAR'S EVE PARTY

Live entertainment and a night club atmosphere is the setting for the New Year's Eve party to be held at the Moose Home starting at 9 p.m. This promises to be an enjoyable evening for all who attend.

SKATING PARTY

Members of the PM&L Theater group were hosted by the Joseph Hunleys at a skating party at the Hunley Home Sunday evening, December 27.

Most of the members were a bit out of practice, and sore muscles were the inevitable result. Refreshments followed the evening of fun on ice.

OUT OF TOWN GUESTS

Mr. and Mrs. Floyd Gordon of Ottawa spent Christmas Holidays with Mr. and Mrs. D. R. Gaston.

Methodist Men Plan Father-Son Banquet

Arrangements have been made with Clifford Fagan to speak at the Antioch Methodist Church Father and Son Banquet Monday, January 11, 1965, at 8:30 p.m. in Wesley Hall.

Mr. Fagan is executive secretary of the National Federation of the State High School Athletic Associations; offices are in Chicago.

Highlights of the 1964 Olympics will be presented by Mr. Fagan who personally attended the Olympic games held in Tokyo, Japan, this past summer.

Scout News

CUB SCOUT PACK 192

Cub Scout Pack 192 had its pack meeting and Christmas party at the Scout Home Dec. 17 at 7:30 p.m.

The Flag ceremony was presented by Den 3. Mark Maras and John Thain were color guards.

Preston Reckers, representing the State Bank of Antioch, our new sponsoring organization, presented the pack with a new American Flag and an official Pack 192 Flag.

Awards were presented by Cubmaster Hollister and Mr. DeBoer. A dinner stripe was awarded Mike Kemmerer; assistant dinner stripes to Frank Nevitt.

Jimmy Fischer received a Wolf silver arrow. Leonard Benning received a Bear Badge. Mike Kemmerer received 2 silver arrows and Bob Kennedy earned 1 silver arrow.

Greg Benning received a Lion gold arrow and Don Irving a silver arrow.

Admission to the party was a can or box of non-perishable food to be used to make up boxes of food to help make some families' Christmas happier.

Christmas songs were sung and a tree decorated by the Cubs who made the ornaments in their dens.

A gift exchange took place

between the Cubs and their parents. Each boy made a gift for his parents in their dens. In return the parents gave their sons a gift.

Santa paid a visit with a package for each child.

Christmas cookies, milk and coffee were served by Mr. and Mrs. Gordon DeBoer and Mr. and Mrs. Leonard Fisher.

LAKESIDE REBEKAH LODGE NO. 82

By Del Jahneke

At a recent meeting of the Lakeside Rebekah Lodge No. 82, an election of officers was held. The new Noble Grand will be Mrs. Clarence Larson; Vice-Grand, Mrs. Arland Clark; Recording Secretary, Miss Evelyn Johnson; Treasurer, Mrs. Anton Johnson; and Financial Secretary, Mrs. Lorna Buchert. There will be an installation of officers, elected and appointive, on January 20th, at the Antioch American Legion Home.

A Christmas party, with a gift exchange, was held at their last December meeting, with Mrs. Harold Ellis, Noble Grand, presiding.

HOME FOR HOLIDAYS

P.F.C. Forrest Stahmer spent the Christmas holidays with his parents, Mr. and Mrs. Fred Stahmer, his grandmother, twin brothers and their families and other relatives.

Forrest is stationed at Fort Knox, Kentucky, and is clerk of Battalion Headquarters. He returned to the base on Dec. 28.

Card of Thanks

Our heartfelt thanks to all the friends and relatives who did so much for us during the illness and death of our beloved husband and father, Joseph J. Rhymmer.

Mrs. Joseph J. Rhymmer
Mr. and Mrs. C. W. Wilkoff
Joan and Bob Wykoff

The first U. S. Presidential elections returns to be broadcast over the radio were those of the Harding-Cox campaign in 1920.

American Legion Auxiliary News

By Del Jahneke

The Antioch American Legion Auxiliary Unit will hold their regular meeting on January 8th, at 8:00 p.m., at the Antioch American Legion Home, with Mrs. John L. Horan, presiding. The hostesses will be chairman, Mrs. Walter Hills, Mrs. Oscar Hagen, Mrs. Edward Jahneke, and Mrs. L. L. Van Patten. Sixty senior patients at Downey Hospital Bldg. 133 will be entertained with cupcakes and ice cream, provided by the Antioch Unit No. 748, in a "birthday party" on January 11th. Mrs. John W. Horan, Jr., Rehabilitation chairman announced.

Several Unit members and their husbands who attended the December 18th dinner and 10th District American Legion Council meeting in honor of the National Commander Donald Johnson of West Branch, Iowa, were the 10th District Legion Commander George Swenson and Mrs. Swenson; District Service Officer F. A. Swenson and Mrs. Swenson; and 2nd Division Sergeant-at-Arms Ed Jahneke and Mrs. Jahneke. Due to lack of space at the North Chicago American Legion Home, the dinner was restricted to National, State, Division, and District Officers and their wives, and various visiting dignitaries. North Chicago's Mayor Heblor presented the National Commander with a large key to the city and a citation from the city officials.

After the dinner, the large caravan of cars was then escorted to the Homer Dahlinger Legion Home in Waukegan, where the meeting was held. Mayor Robert Sabonjian gave National Commander Johnson a large wall plaque of the late President John F. Kennedy, as well as an outsized ceramic ash tray inscribed with his name and Commander Johnson then gave a most inspiring and stirring talk, touching on many topics, but emphasizing an active and helpful youth

program. Over 4,000 Boy Scout and Cub Scout troops are sponsored by Illinois Legion Posts, and Auxiliary Units sponsor 3,500 Girls Scout and Brownie troops. Now the children of World War II veterans, the Sons of American Legion (SAL) and the Junior Auxiliary members are becoming very active organizations. This was primarily the reason for National Commander Johnson's visit since Lake county has been developing one of the top S.A.L. squadrons in the state. Mrs. Lester Zilkus, 10th District Auxiliary music chair, was the pianist for the evening.

Beach Grove News

By Del Jahneke

A 3-C Dan Geler, son of the Peter Geler's, Beach Grove, arrived home on Dec. 21, from the Triax Air Force Base at Madison, Wis., returning to the Base early Christmas morning. The Peter Geler family then spent the rest of Christmas Day visiting the William Guyot family in Waukegan.

Christmas Day's festive dinner at the Robert Duha, Sr.'s home at Bluff Lake was well attended by both relatives and friends. Mr. and Mrs. Stanley Wodek and son, Terry, the Robert Duha, Jr., family, Mr. and Mrs. John Steltz, Mr. and Mrs. Walter Kerber, Mr. Karl Weber, and Miss Sue Duha were their guests.

Mr. and Mrs. Alex Hoffman entertained the Vincent Block family from Glenview, the William Hoffman family from Northfield, and the Bernard Zimmer family from Rolling Meadows on Christmas Day at their home.

GUESTS FROM CANADA

Mr. and Mrs. Leo Hampe and Mrs. Marjory Merrell of Dryden, Ontario, Canada, spent Christmas holidays with Mr. and Mrs. Walter Shepard and family.

MY NEW YEAR'S RESOLUTIONS

By June M. Albrecht
In nineteen hundred and sixty-five
Self-improvement's the goal
For which I will strive.
To think before speaking
In anger or haste;
To be thrifty with all I possess,
And not waste—a day or an hour
That God gives to me.
As his steward of all I possess;
To serve Thee!
To set good example
For those in my care;
To be understanding,
And their problems share.
So, when sixty-five draws to an end,
I may rejoice from my service
—To God and to men.

Stormy, petrels are so called because they are often seen at sea during raging storms.

(Schweinfurt Det.)
APO New York, N. Y. 09036

St. Mark Lutheran Church

The "Christmas" Christmas tree was decorated by the ladies of the Altar Guild. Each "Christmas" was hand made. Christmas Eve Pastor Nelson explained the significance of the various ornaments.

The tree and the lights were donated by the Edwin Erbers, the Gus Fabrys and the John Janengas.

There will be no worship services on New Year's Day. Prince of Peace Church.

Masses on New Year's Day will be at 8, 9, 10 and 11:15 a.m.

The Sodality will hold its monthly meeting on Wednesday, Jan. 6, at 8 p.m., starting with Benediction. All ladies of the parish are invited to attend.

New Babies

Donald and Diana Day welcomed their third child and second son, Douglas Robert at St. Therese Hospital at 7:53 a.m. on Dec. 19. The little fellow weighed in at 8 pounds, 11 ounces.

Fred and Judy Harding of 207 Valley Drive are the parents of a little son, Marquis Paul, who has been named after his two grandfathers, weighed 10 pounds, 2 ounces when he arrived at St. Therese Hospital on Dec. 16. The hardings also have a daughter Julie Ann, 2.

The grandparents are Mr. and Mrs. Marquis Harding of Antioch and Mr. and Mrs. Victor Paul Wolak of Minneapolis, Minn.

Mr. and Mrs. Arthur Ess of Fifth Ave., Lake Villa, welcomed their seventh child Dec. 21 at St. Therese Hospital.

Making Christmas Brighter

Because members of the Lindenhurst Women's Club and their husbands each donated a dollar instead of having a grab-bag at their Christmas party, four families in the area had a happier Christmas.

With \$60.00 and some can goods that the members had brought Mrs. Pearl Koehler made up eight big boxes of food, two for each family. Potatoes, oranges, apples, staples of all kinds, a gift certificate for a 19 to 21 pound turkey and toys for the children filled the boxes. After delivering them to Prince of Peace Church, St. Mark Lutheran, First Baptist Church and to a needy family not connected with a church in the area Sunday evening, Mrs. Koehler went home feeling very good for having helped brighten some one else's Christmas.

The elderly gentlemen at the Lake Villa Nursing Home were treated to home made cookies by both the Lindenhurst Daisies 4-H Club and the Cub Scouts of Pack 84. The boys sang Christmas carols for the men who were in the dining room at the time.

The Grayslake High School students went door to door in Lindenhurst Tuesday evening asking for canned goods to fill baskets for needy families.

Christmas Get-togethers

Nine "woods" couples had their Christmas party at the home of Art and Lois Roesch, 203 E. Ironwood last week. Louise Lavelle was hostess to her Pinochle club recently.

Lu Stanley entertained her Canasta Club last Thursday. Rev. and Mrs. Joe Baker, Kay and Alberta Robinson and Mr. and Mrs. Bill Brassfield were guests of the Stanleys, another evening.

News of Cub Scout Pack 84

Cub Scout Pack 84 had their Christmas party Dec. 17 at Hooper School. Before the party started, Boy Scouts of troop 84 presented the flag ceremony.

Uniform inspection was done by the new den chiefs. Richard Myslinski was named the best dressed Cub Scout. He was awarded a Cub Scout tie pin.

Two new Cub Scouts were inducted, Chuckie Kleffner and David Bukske.

Frontier badges were awarded to John Bittner and Ken Boucos. Phil DuMelle received a Gold Arrow for completing the electives. David Hartwig received his

Watch Out For Johnny On His Christmas Bike

The Chicago Motor Club estimates that more than 700,000 youngsters have received new bicycles for Christmas and urged parents to be sure that their children know the basic rules of bicycle safety before they venture into traffic.

Motorists were urged to be especially alert for bike-riding boys and girls during the week following Christmas. The Motor Club pointed out that new cyclists generally are more concerned with staying on the bike than where they are going, and the motorist should assume the responsibility for giving these youngsters ample room.

"Last year, 570 persons were killed in motor vehicle collisions with bicycles—an increase of 14 per cent over the previous year," Gerald W. Cavanagh, motor club president said. He offered the following basic bicycle safety rules, as suggested by Chicago Motor Club experts:

1. Learn to ride in a safe place. Keep off busy streets until you can ride well.

2. Obey all traffic signs. They apply to you as well as to automobile drivers.

3. A bell, horn, or other

warning device is a necessary part of your equipment.

4. A red taillight or red reflector is required on the rear, and a white light in front, when riding at night.

5. Arm signals must be given before turning or stopping.

6. Pedestrians must be given the "right of way" by riders.

7. Only one rider per bicycle. Two on a bike is dangerous and unlawful.

8. Coasting into streets from driveways is dangerous.

9. Be alert when riding past parked cars. Watch for opening doors.

10. Hitchhiking on to moving vehicles is unlawful and unsafe.

11. Use both hands to steer your bicycle. Riding with one hand or "no hands" is risky and foolish.

12. Keep to the right—close to the curb. Never ride facing traffic.

13. Be especially careful in rainy weather. It is easy to skid on wet streets. Watch also for deep car tracks and ruts in the road.

14. Wear white or light colored clothing when riding at night.

Speed Up Mail With Scanner

An optical scanner designed to read and sort letters to all ZIP codes, all states and 1,000 cities at the speed of 3,600 an hour will be installed in a major postoffice by the end of 1965, Postmaster General John A. Gronouski announced Tuesday.

The reader, under development by Philco Corp. for the Post Office Department, has been tested by the Department's Research and Development Laboratory, with results "going far beyond expectations," Mr. Gronouski said.

"This is really the icing on the cake," he explained. "Without the scanner, ZIP Code is still essential to our postal operations. The scanner, for example, is not equipped to read and sort packages and therefore will not be a factor in our burgeoning plans to ZIP code parcel post."

"And we will continue to expect the cooperation of large volume mailers in pre-sorting their mail before it reaches our post offices as part of the ZIP Code program."

"But the scanner will help us measurably in coming with a mail volume that now stands at 72 billion pieces a year."

A person will kill himself quicker by overeating than by overworking. But he'll have a better time doing it.

KOENIGSBERGER KLOPS
(six servings)
2 slices white bread

Conservation Comments

By Elmer E. Offerman
WHAT IS A SOIL AND WATER CONSERVATION DISTRICT?

The Lake County Soil and Water Conservation District is the one central source of help and information on soil and water conservation matters in Lake County.

The purpose of this District is to work with individual property owners, helping them receive information and assistance, such as Soil Survey, Planning Application of Practices, Ponds, Wildlife Plantings—trees and shrubs; Erosion Control Practices—contour farming, terraces, minimum tillage, and crop rotations.

Each District in the United States has an individual program and plan of operations which fits the area. The objective or goal of Districts is the best use of each and every acre of land, and the protection of all land from erosion.

Soil and Water Conservation Districts are governed by a Board of Directors. Those men serving the Lake County Board are: S. Burton Lee, of Grayslake, Chairman; Donald Adams of Gurnee, Vice-Chairman; Henry Schaeppi of Long Grove, Secretary-Treasurer; Henry Knigge, of Mundelein; and Stanley Faulkner of Gurnee. Associate Directors are Harold Alvin of Round Lake and Herman Adams of Wadsworth.

Chairman Lee points out that the District can coordinate community efforts in soil and water conservation. The opportunity to assist in watershed projects for flood prevention and water management will receive more attention in the future. The technical assistance to carry out the objectives and plans of the District is available from the Soil Conservation Service office in Lake Zurich. Conservationists are available to work with owners and operators in establishing soil and water conservation projects.

The Lake County District has pioneered in the development of a soil and water conservation program which has special application in urban areas. This assistance has included soil survey information which has been interpreted into meaningful information, that can be used by urban planners, zoning officials, developers, and others who are interested in the future of their local community. This information has proven

useful in avoiding many mistakes which are related to our soil and water resources. This urban facet of the program has received nationwide recognition. An entire issue of Soil and Water Conservation Magazine has been devoted to this subject, on how the information is used in the Chicago Metropolitan Area.

The District recognizes the importance of water management in the Chicago Metropolitan Area, and more and more emphasis of the District program will be placed on this phase.

The Illinois Soil and Water Conservation Districts are the legal sponsors of Public Law 566 which was passed for the purpose of watershed protection and flood prevention. This is an instrument that can be used by local people in solving water management problems on a watershed basis.

Mail Fraud Cases Told By Postal Authorities

A total of 988 illegal promotions were suppressed by Postal Inspection Service and the Office of the General Counsel in the month of October 1964.

Postal authorities are continually on the trail of those who seek to use the mails to defraud.

In Illinois, a 13-count indictment was returned against Market Introduction Corp., T. J. Zygalski, William T. Sweeney and Sam Benova for mail fraud. The defendants are charged with defrauding 383 victims of at least \$250,000 in an endless chain referral selling of central vacuum cleaning systems.

One of the recent cases successfully prosecuted by the Postal Inspection Service involved a 35-year-old housewife who turned a profit of \$13,562.71 on several illnesses.

Mary Mincey Hubbard was both accident prone and sickly, a combination which took her into South Carolina hospitals 13 times in four years.

When she came down with acute gastritis in April, 1960, Mrs. Hubbard's medical expenses were \$287.71; however, her "foresight" in buying health and accident insurance from numerous companies resulted in the collection of \$2,562.47 from 13 companies.

Four months later she fell in the bathtub. Mrs. Hubbard collected \$3,261.00 and

paid \$470. for medical attention. In applications with at least 20 companies, the Hubbards omitted the answers to some highly germane questions — omissions which constituted mail fraud.

Postal inspectors gathered a voluminous file on their operations. When the Hubbards were charged with making false statements on insurance applications, they pleaded guilty.

He received a three year sentence which was suspended; Mrs. Hubbard, a two-year suspended sentence. Both were fined \$1,000.

Salem High Nurses Tour Hospital

The Future Nurses' Club of Salem Central High visited the Milwaukee County General Hospital on Saturday, December 5. They were accompanied by Mr. John Dorris, the sponsor of the club at the school and went by bus. At the hospital they visited the x-ray department, the surgical wing, and the school of nursing. The residence hall was also on the tour. At the lecture hall they were given a lecture by Mrs. Zeser, head of the biology department of the school of nursing. Other trips are being planned, so that the girls will be well acquainted with procedures at hospitals.

SIU Prof. Works on World's Hunger

CARBONDALE, Ill. — In approximately 40 years according to present trends, there will be six billion people in the world—twice the present population. How these people can be adequately fed is the gigantic problem a Southern Illinois University mycologist has tackled head-on.

William D. Gray, SIU professor of botany, believes the world food problem is not something in the future; it is here now. Millions of people among the present population, he explains, live in areas where a protein-deficient diet leaves them "hungry" even after they have eaten.

Gray's work, which has attracted international attention, has led to a process for producing a protein-rich food supplement from various forms of waste plant materials. Through further study

he hopes to prove the supplement can be produced economically on a massive scale. "If we had to be concerned with calories alone," Gray says, "there would be no great problem. For if this were the case, the needs of three billion people could be met with potatoes produced on 2.5 per cent of the earth's arable land. But an adequate diet requires approximately 82 pounds of protein a year, and continued lack of protein results in marked physical symptoms. More than 90 per cent of the people of Africa, for example, are estimated to be protein deficient."

With his process, carbohydrates, of which there is no shortage, can be used to produce the critically needed protein.

The end product is tasteless, odorless and colorless, and could be produced in various forms: dry powder, pellets, flakes.

and continued lack of protein results in marked physical symptoms. More than 90 per cent of the people of Africa, for example, are estimated to be protein deficient."

Rogers Scores Record 30 Points In Rockford Classic

Antioch's Vic Rogers dumped in a record 30 points to lead the Sequoits to an 82-61 first round victory over Rockford in the Rockford Classic Saturday night at Boylan.

Rogers' 14 field goals and 2 free throws topped the previous tournament record of 20 points set by Steve Lindsey of Dundee Saturday afternoon. Rogers also set a new record for number of field goals in one game. The old mark, held by Pat Clinton of Rockford Harlem, was set a year ago at 12 in a game between Argo and Harlem.

Bernie Smith added 25 points and Mike Storbenz accounted for 14 as the three compiled 69 of the Sequoits' 82 point total.

The Boylan Titans managed to make it a close contest through the first quarter, trailing only 16 to 15 at the end of the period. The Sequoits got rolling in the second stanza, however, and by the middle of the period Smith had boosted them into an 8 point lead, 32 to 24.

Antioch came up with 7 straight points at the beginning of the third quarter to lead 46 to 30 and the issue was never in doubt after that. The Sequoits out-pointed the Titans in every quarter as even the reserves got into the act and scored 6 points in the closing minutes.

Antioch hit a blistering 495 from the field to 439 for the Titans. Vic Rogers came off with 19 rebounds to give the Sequoits a commanding 46-24 edge in that department.

In other games in the tournament Saturday Dundee topped Winnebago 71-61; McHenry over Mt. Morris, 86-67; and Mundelein over Rockford Harlem 83-59.

In Monday's action Sandburg beat East Peoria, Rockford Guilford upset Chicago Carver and Peoria Spaulding eliminated Maine South.

Booth At Boat Show To Draw Tourist Trade

Mrs. Margaret Tuck, well known for her work in attempting to conserve and promote attractions of the Chain O' Lakes, is trying to raise matching funds from local businessmen to advertise the attractions of the area at the Boat and Travel Show in Chicago.

Mrs. Tuck is a member of the Board of Economic Development, the state organization formed by Governor Kerner to advertise the tourist attractions offered by Illinois. Funds from the State Bureau are allocated to Lake County, according to Mrs. Tuck, on a matching basis. Fifty percent of the money to be used in advertising local attractions must be raised locally to claim the matching 50% given by the state. Funds not used revert back to the State Bureau.

"We lost the money allocated to us last year," Mrs. Tuck said, "because we could not persuade businessmen to give matching funds. I'm determined that this shall not happen again this year."

The booth at the Boat & Travel Show, to be held March 6 to 14 at McCormick Place, will cost a total of about \$1,200, Mrs. Tuck said.

Wisconsin, Mrs. Tuck said, has a similar plan which is used extensively to advertise tourist attractions. The Dells, she said, raised \$90,000 last year for cooperative advertising of the area.

Anyone interested may call Mrs. Tuck at JU 7-5842.

Star Bowlers In Benefit Match At Antioch Bowl

The pin match between the Old Fitzgerald team of Chicago and the Antioch All-Stars has become a yearly event at the Antioch Bowl. This year, the three-game match will be for the benefit of the Antioch Rescue Squad.

The match will be held at 1 p.m. on Sunday, Jan. 17. The Antioch All-Star team is made up of the five high-average bowlers in the Major League at the Bowl.

Some members of the Old Fitzgerald team are well known to Antioch bowlers who have watched the exhibition for several years.

The ten bowlers will compete in a three-game match.

4th Annual Ice-Fishing Derby At Channel Lake

Northern Illinois Conservation Club's big 4th annual ice fishing derby, set for Sunday, January 10th on the south end of Channel Lake, began picking up momentum as committees were appointed to handle the myriad details connected with the staging of an event of this magnitude.

Over 100 prizes, valued in excess of \$1,000 have been gathered and placed on public display in the show windows of the Lyons-Ryan Ford Co. in Antioch, to be handed out to the lucky participants on derby day for catching fish, or winning in the many special events scheduled.

An additional 108 prizes have been allocated for fishermen who cannot catch fish.

This is unprecedented in fishing derbies, and is a special inducement for the unlucky piscators to come out and demonstrate their prowess in producing empty strings.

Prize Committee: Milt Brozik, chairman; Roy Pearcey, John Fabrizio, Art Frisell. Tickets: Martin Killgrove, chairman; Ann Waters. Headquarters: Bill Brook, m.c.; Dr. George Jensen, Ed Kugle.

Parking: Al Moore, chairman; Walter Monhardt, Charles Wertz, Don Wertz. Rules: Lester Chinn, chairman; Heine Ellis.

Special Events: Sam Guard, chairman; Jim Conrad, Joe Kuczynski, Augie Tamburino, Roy Ellis, Lawrence

Weick, Ernie Di Labio, Linda Nystrom, Thil Tracy.

Publicity: Harry H. Stern. Hot refreshments and food will be on tap all day at the headquarters shelter set up on the ice, as well as at the numerous resorts and restaurants lining the lake shore and nearby. Tickets include supervised parking. Starting time of the derby is 9 a.m. and the closing gong will sound at 4 p.m. Channel Lake is 3 miles west of Antioch on Highway 173. Members of the club will be spotted along the road to direct visitors and participants to the available parking areas. All of the net receipts will be used to further the NICC conservation and youth program.

The international boundary line between the U. S. and Canada is crossed more often than any other in the world.

MOTORIST'S PRAYER
Each time I take the Wheel
Oh, Lord I pray,
Grant that no harm shall
come of me, today,
See over hills for me,
On curves, stand by,
Post some bright Angel near
to see that I
Observe the playing child.
The old, less spry;
No act of mine must cause
Someone to die.

New Legislation Extends Benefits For Veterans

WASHINGTON (ALNS) — American Legion service officers are being reminded of several important changes in benefits for veterans and their dependents which become effective Jan. 1 as the result of legislation enacted during the second session of the 88th Congress.

Service officers are urged to take all possible action in bringing to the attention of both those receiving pension under the old law, or those heretofore excluded from

benefits because of excess income or for other reasons, the possible economic advantages of electing to receive pension benefits under the newest provision of pension law.

These benefits were expanded by PL 88-664 to include the following:

1. Increased rates of death and disability pension.
2. Increased aid and attendance allowances.
3. A new household allowance for those severely disabled pensioners who do not qualify for the aid and attendance allowance.
4. Additional income exclusions.
5. Exemption of 10% retirement type income or annuity from annual income determinations.
6. Exemption of all the spouse's earned income of \$1,200, whichever is the greater.
7. Free drugs and medicines on prescription of a private physician for those receiving the aid and attendance under the new law in treatment of a disease or injury not related to service.

The Veterans Administration reports that a relatively high percentage of death and disability pensioners continue to receive benefits under the old pension law even though it is obviously to their advantage to elect to receive under the newer provisions. VA computations show that these pensioners are losing more than \$46 million in pension payments per year.

In addition to the various liberalizations of the pension program, two important amendments to the National Service Life Insurance (NSLI) program also become effective Jan. 1.

Public Law 88-355 makes available a new provision of offering monthly benefits of up to \$100 a month for total disability of more than six months' duration commencing before age 65.

Public Law 88-364 automatically extends the premium waiver right on account of total disability from 60 to 65. Any claim for waiver denied by the VA because total disability commenced after age 60 but before 65, may now be qualified, regardless of present age. To qualify, the policy must have

been under premium paying conditions through the month of December 1964. The earliest premium that may be waived is the one falling due in January 1965.

Both Veterans Administration pensioners who are receiving benefits under the old law which was in effect prior to the passage of PL 88-211 and NSLI policyholders who believe they qualify for any of these benefits are urged to contact a service officer of the American Legion for assistance and counsel.

AVERAGE LEGION DEPT. COMMANDER

The average American Legion Department Commander is an Army veteran of World War II with better than average education and a bigger than average income. The chances are that he was an enlisted man in

Lindenhurst Is Twin Town

By Mrs. Bernice Bernas
Did you know we had 11 sets of twins here in Lindenhurst? Our oldest set are Jimmy and John Sheppard, sons of Mr. and Mrs. Edward Sheppard, 114 N. Longmeadow Dr. They will be 18, March 1. Then we have Karen and Sharon Shirk, daughters of Mr. and Mrs. Joe Shirk, 2307 E. Country-

service, is a Protestant, and has fairly recently observed his 49th birthday. Personal profile statistics from all department commanders and adjutants have been run through data processing equipment to gain a composite picture of the Legion's state leaders.

side Lane. They will be 7 on May 6. On August 10, 1965 Mrs. Armond Bourque gave birth to a boy and girl, Joseph August and Mary Kay, February 11, 1965. In the day Jane and Austin Marshall became the parents of Rhonda and Wanda. They reside at 1912 E. Fairfield Rd.

Mr. and Mrs. R. W. Boufoey, Jr., of 2313 Deerpath, have a set of twin girls, Michelle and Sharon, born January 30, 1962. (The people who owned the home before them, the Nykvists, had a set of twins, too). Mr. and Mrs. Charles Viba of Hazelwood Drive have twin boys, Patrick and Kevin were born March 16, 1962.

Mary Rebecca and Mary Renee Wolff are the daughters of Mr. and Mrs. Richard Wolff of Green Briar Lane. Feb. 13, 1963 is their birth date. On August 29, 1963,

Sherry and Sandy Greear arrived to delight Mr. and Mrs. William Greear, 1918 Fairfield Rd. Feb. 3, of this year Janet and Jeanne Walsh were born to Mr. and Mrs. James Walsh of 2107 Witchwood Lane. Rhonda Lee and Roseanne Lynn Rozhon were born July 16 of this year, to Mr. and Mrs. Robert Rozhon, 2126 E. Burr Oak Lane.

Legal Notice

NOTICE OF SPECIAL ELECTION

School District Number 117, Lake County, Illinois

NOTICE is hereby given that on Saturday, the 23rd day of January, 1966, a special election will be held in and for School District Number 117, Lake County, Illinois, for the purpose of voting upon the following proposition:

Shall the maximum annual tax rate for the educational fund of School District Number 117, Lake County, Illinois, be increased and established

at .00 per cent on the full fair cash value of taxable property as equalized or assessed by the Department of Revenue instead of .75 per cent, the maximum rate otherwise applicable to the next taxes to be extended for said purpose?

(a) The approximate amount of educational taxes extendable under the maximum rate now in force in said School District is \$482,774.19.

(b) The approximate amount of educational taxes extendable under the proposed increased rate is the sum of \$443,329.02.

That for the purpose of said election said School District has been divided into three election precincts, the boundaries of each election precinct and the polling place designated within each election precinct being as follows:

Election Precinct No. 1: Shall consist of all that part of Antioch Community High School District Number 117, Lake County, Illinois, situated within the political township of Lake County, commonly known as Antioch Township and Newport Township.

polling Place: Antioch Community High School Building, located in the Village of Antioch, Illinois.

Election Precinct No. 2: Shall consist of all that part of Antioch Community High School District Number 117, Lake County, Illinois, situated within the political township of Lake County, commonly known as Lake Villa Township, except that part of said Lake Villa Township which is situated within Sections 25, 35 and 36, Township 46 North, Range 10, East of the Third Principal Meridian and also except that part of said Lake Villa Township which is situated within Sections 1 and 2 of Township 45 North, Range 10, East of the Third Principal Meridian, Lake County, Illinois.

polling Place: Lake Villa Grade School in the Village of Lake Villa, Lake County, Illinois.

Election Precinct No. 3: Shall consist of all that part of Antioch Community High School District Number 117, Lake County, Illinois, situated within Sections 25, 35 and 36, Township 46 North, Range 10, East of the Third Principal Meridian and all that part of said District situated within Sections 1 and 2 of Township 45 North, Range 10, East of the Third Principal Meridian, Lake County, Illinois.

polling Place: B. J. Hooper School in the Village of Lindenhurst, Lake County, Illinois.

Voters must vote at the polling place designated for the election precinct within which they reside.

The polls at said election will be opened at twelve o'clock Noon and will be closed at seven o'clock P.M., on said day.

By order of the Board of Education of Antioch Community High School District Number 117, Lake County, Illinois.

DATED this 16th day of December, 1964.

ROBERT C. DENMAN

President of the Board of Education of School District Number 117, Lake County, Illinois.

ROGER PROSISE

Secretary, Board of Education of School District Number 117, Lake County, Illinois

"Prologue To Gospel"

Premiers New Year's Eve

The premieres of three musical settings of the prologue to "The Gospel According to St. John" will be given New Year's Eve at a World Conference on Methodism in Lincoln, Neb., which will be attended by an estimated 20,000 persons.

Two of the works are by the eminent American composers Bernard Rodgers and Alan Hovhaness.

The third setting was composed by a 32-year-old instructor in theory and composition in the School of Music at Northwestern University—Alan Stout.

Commissioned along with

Rodgers and Hovhaness by the Board of Education of the Methodist Church to set the same Biblical passage to music, Stout will be present in Lincoln Dec. 31 when his "Prologue" for Soprano, Chorus, and Orchestra, Opus 75, is performed for the first time.

American soprano Janice Harsanyi will be the soloist and the chorus and orchestra will be under the direction of Thor Johnson, formerly director of orchestral activities at Northwestern University and currently director of the Interlochen (Mich.) Arts Academy.

Stout completed the commission in April 1964, and calls it a difficult one because of the abstract quality of the text, which opens with the famous passage, "In the beginning was the Word, and the Word was with God, and the Word was God."

"My 'Prologue' tries to convey the awesomeness and the majesty as well as the humility of the 'Nativity,'" said Stout.

In the composer's view, there are two major points of activity or intensity in the text which are focal points for the entire composition.

The first point is line four of the prologue, which reads, "In Him was life; and the life was the light of men"; the second is line ten, "He was in the world, and the world was made by him, and the world knew him not."

Stout concludes his work, he says, "on a major triad—the piece just dies away into silence at the end in a quiet concord of sound" to accompany the text, which reads, "And the Word was made flesh, and dwelt among us... full of grace and truth."
